

These units are accessories for the desks to provide extra storage or work space. Shelves are available in wall mount or desktop mount (for stand alone). Desktop units can have tack boards to mount under the shelf. Tack boards are available in a variety of fabric covers. Please contact us for currently available styles. Low profile fluorescent lights are available to mount under the shelves to light the work surface. Keyboard drawers and trays provide ergonomic positioning of a keyboard and / or mouse. Transaction counters provide a place for customers to sign-in while keeping other documents private. These units ship knocked down. Assembly in the field is required
